Collated Responses of Questionnaire for Parents and Carers: Summer Term 2019

A total of **42** questionnaires were returned to school which is a very similar number to that of previous years and during the last Ofsted inspection last December. If a row does not add up to 42 this is because a response was not given to a particular statement.

Many thanks to all those parents who took the time to complete the questionnaire sent out recently. As a school we are very pleased with the positive responses. **It is especially gratifying to see that all parents said they would recommend the school to another parent.** There were also many additional complimentary comments made, a selection of which is shown below*.

Where parents have raised issues or concerns, those who have included their names will be contacted individually if relevant. Clearly anonymous respondents can't be contacted but I would urge anyone to get in touch if there are concerns; school is not able to address individual issues if we are not made aware of these.

***Comments made additional to Summer 2019 parents' questionnaire**

“We've been so delighted with how immediately settled our child became, since starting in September. He has developed as a little person in both social and academic senses and his confidence has soared. We have been very well informed, concerns or questions are pretty much immediately answered and although a VERY professional school, each and every member of staff is approachable. Thank you so much St Peter's – we would highly recommend you.”

"I couldn't be happier, my child loves school and is very happy. Staff go above and beyond for children in all year groups and the school has a wonderful positive feel. Thank you."

"I feel that all issues that I have ever brought to staff's attention has always been dealt with really well with regards to other children's behaviour! I feel really happy with the extra help that our child has been given and how fast it was picked up that they needed extra support. St Peter's is a great school and has given both of our children a great start to their educational life."

"St Peter's is a great school and we are grateful for all the help and encouragement our children have received. All the teachers go over-and-above for the kids and the school's provision of extra-curricular activities is brilliant – so many opportunities for our children to learn outside the classroom."

"Our children, as ever, are doing brilliantly at St Peter's – the teachers and standards are excellent. A recent bullying incident was dealt with very effectively."

"Our child's reading has improved significantly at this school along with his progress in maths."

"In general we are very happy with the school and the progress our child is making. She speaks highly of all members of staff (teachers, TA's, lunchtime, kitchen and office) and really enjoys being at school. We couldn't ask for more. Thank you."

"We are really pleased with how our child is getting on. She is always happy to go to school and loves Breakfast/After School Club too. She is full of what they have done and we can see massive progress in her school work. Thank you."
