Many thanks to all those parents who took the time to complete the Church school questionnaire sent out recently. As a school we are very pleased with the positive responses. There were many other additional positive responses relating to our status as a Church school, a selection of which is shown below*.

Thanks too to the parents who have given us suggestions for further development with worship, faith and care and Church/school links; these are genuinely welcomed as part of our continued self-evaluation and will be discussed and acted upon by staff and governors.

“I am very happy with St Peter’s and always have been. I will be really sad about my child leaving in September as both my children have always been so happy attending St Peter’s. Mr Gray is an excellent teacher... and Mrs Alexander has always dealt with any issues we have had brilliantly. Great school with lovely dedicated staff. I will miss visiting after September when my child leaves.”
