Newsletters 2019 – 2020

20th March 2020

Dear Parents/Carers,

Corona Virus (Covid-19)

As you know, advice and guidance changes regularly at the moment re Covid-19. Parents/carers will continue to be updated as relevant; this will usually be on Class DoJo and/or on the school website (with a link). **It is really important that parents have registered with DoJo and that school has your current mobile phone number/s. Please sort this immediately if necessary.**

The government announcement about schools closing on Friday 20th – and not re-opening until further notice – is available [HERE](#).

At the time of writing, there had been no clarification of exactly which occupations constitute 'key worker'.

Sport Relief 2020 – 'Game On'

Many thanks for your kind donations towards Sport Relief when the special day was held last week. The children had a great day, especially the inter-house tournament during the afternoon, and almost £70 was raised for this worthwhile cause.

Events and Activities Cancelled

As parents may have realised, all events and activities planned in the school calendar are cancelled until further notice; this includes PTFA events such as the next meeting and the Duck Race. We are all so sorry about this but feel it is in everyone's interests re latest advice and guidance.

And finally...

...at the end of an extraordinary week (when every day has seemed a week long) I would like to express my thanks (from all staff and from me personally) to all our families for your support. We have received so many kind and thoughtful messages and these mean a lot to us. Thank you too for being so calm and measured; this attitude has really helped us here and has made sure we have been able to carry on in relative normality which is essential for the children.

Do your best to keep yourselves and your loved ones safe and well; if there is any way in which you feel the school can help you, please don't hesitate to contact us.

Yours sincerely,

Julie Alexander
Headteacher
