17th March 2020

Dear Parents and Carers,

Home Learning in the Event of School Closure

I would like to share with you the plan if school should need to close as a result of the Corona Virus COVID-19. Should this happen, the school's top priorities are to ensure that all our children and families remain safe and that the education of our children continues in some form. It is important that this time is not seen as an extended holiday.

It is really important that a) you have registered with Class DoJo; b) the school has your current mobile phone number/s. If either of these need to be sorted, please do so without delay.

How will this work?

1. At 9am daily (for the duration of the school's closure), teachers will let parents know on Class DoJo the home learning and activities that their children are expected to carry out that day (this will usually be links to websites);
2. Regular communication will take place on DoJo; the weekly newsletter will continue to be available on the school website and parents will receive a text with a link to this.

What will the expectations of teachers be?

- To provide home learning each day;
- To respond (during school hours) to questions on DoJo about the learning from parents, carers and the pupils themselves;
- To communicate with any parents with whom the school has not had contact.

What expectations does the school have of you as parents and carers?

- To communicate daily with school, sharing the home learning with the teacher via Class DoJo;
- To check DoJo messages daily.

If you have any concerns whilst the school is closed (with regard to any matter, not just home learning) please do not hesitate to contact your child's class teacher or me on our email addresses or DoJo.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'J. Alexander'.
