

# Parent Charter

During this time, we must all work together to ensure that all members of our school community are kept safe, in order to play your part we expect all parents to:

- Not send your child to school if they have any COVID-19 symptoms (high temperature, new consistent cough or a change in their normal sense of taste or smell).
- Ensure that all family members accompanying children to school do not have any COVID symptoms.
- Phone school and let us know if your child is unable to attend before 9.30am each day.
- Collect your child immediately if they fall ill at school with Covid-like symptoms.
- Understand that staff may support your child wearing PPE in the event that they develop Covid-like symptoms in school.
- Engage with the NHS test and trace system and inform school immediately of the results of a test.
- Ensure that all children have washed their hands when leaving home for school and when arriving back at home after school.
- Enter and exit the school site as quickly as possible and not to congregate with other parents on or off the school site.
- Adhere to the entrance and exit times given for your family (Entry will be between 8.40am and 9.15am, Exit will be between 3.00pm and 3.35pm).
- Follow all floor markings on site and comply with one-way systems and social distancing markers at all times.
- Restrict the number of adults accompanying children to school to one.
- Call the school or use dojo if you need to contact school staff, making an appointment to speak with the school team in person, if necessary.
- Share the pupil charter with your children to ensure that they understand how to keep themselves and others safe.
- Provide children with a set of colours, pens, pencils, rubber etc. in a wipeable tub that remains in school.
- Think carefully about the essential items children need to bring into school and reduce this to a lunch box, water bottle, reading book and coat whenever possible.
- Ensure that all children have a PE kit which can be worn outdoors in all weathers.
- Help your child to manage their own dressing before September (fastening shoes and removing jumpers).
- Speak to the school in plenty of time if your child is worried about returning to school in September for any reason so that we can work together to ensure a smooth transition back to learning.
