SUPER SKIPPING!

We are delighted to share that we are welcoming 'Skipping 4 Life' into school on Thursday 5th November to deliver skipping workshops to all our learners from Reception – Year 6.

Throughout the day the skipping team will be working with each class bubble to teach them how to skip individually and together, and how to perform different skipping tricks which we are sure they will be keen to share with you at home. In addition to this, we have invested some of our sports funding into purchasing a set of skipping ropes for each class bubble so that our skipping fun can continue well beyond this day, encouraging our learners to keep active during lunch and play times.

A great deal of care and planning has gone into organising this event, ensuring that we are able to give our learners this new, fun experience in a safe and Covid-secure way. The skipping team have been well-briefed on our school procedures, will maintain distance when teaching the different groups; use individual equipment and sanitise any shared resources throughout between each session.

We are very much looking forward to welcoming the team to school on 5th November and cannot wait to share our skipping success with you in the coming weeks.

CHRISTMAS CLEAR-OUT

If you are planning on having the annual pre-Christmas clear out over the half-term break, we have sent home today our Bags 2 School collection sacks which can be filled with any unwanted clothes, shoes and soft-toys. Please return filled bags to school on Thursday 5th November 2020 for collection. Every bag returned generates much needed funds for school. Thank you for your support.

SCHOOL PHOTOGRAPHS

We hope that you enjoy the new style school photographs we have commissioned this year for our learners which have been sent home today. If you would like to order these for your child, please complete the enclosed order form and return to school before Friday 6th November 2020 when the school order will be submitted.

COMPASSION & COURAGE

This half-term in our worship we have been exploring the values of courage and compassion. Whilst we have seen many examples of our learners showing these values in school; we would love to see photos of them demonstrating them outside school too! Please send photos via dojo to your child's class teacher so that we can also celebrate their achievements.
