

# St. Peter's

CHURCH OF ENGLAND PRIMARY SCHOOL

*Opening doors with learning, faith and care*

FRIDAY 11<sup>TH</sup> DECEMBER 2020

## FESTIVE FUN

This week at St. Peter's has been full of festive fun! Last Friday we all decorated the school Christmas tree with our beautiful, hand-crafted decorations which this year follow a red, green and gold theme.

We have also been busy rehearsing and filming our Christmas presentation and we are very excited to share it with you via Microsoft Teams next week. We kindly ask all families to check that they can access Teams via their child's username and password in advance of the performance release next week and let us know in plenty of time if you are experiencing any problems.

On Tuesday morning, learners in Class HO and LE were treated to a very magical Christmas encounter with Santa and his reindeer. They followed the jingle bells outside, learned all about Santa's reindeers, posted their letters to Santa and even joined the big man himself in the forest for a campfire story, complete with chocolate milk and cookies!

Our school giving tree has now raised over £370 for Katharine House Hospice, we thank you for your incredible generosity and support!

## #LIGHTUPHIXON

We have also been really busy making Christmas lanterns to display both at home and at school for the HCA's look for a light project! Learners will come home with their lanterns and lights today and we encourage all our families to switch them on in their front windows at 4pm on Saturday night and share photographs of your display with HCA and the PTFA via their Facebook pages. As a school we have created a colourful collective display which will be lit outside school from 4pm every night for all to see.

Please join in and share your photos using **#lookforalight** & **#lightuphixon** via the following channels:
