

# St. Peter's

CHURCH OF ENGLAND PRIMARY SCHOOL

*Opening doors with learning, faith and care*

FRIDAY 12<sup>TH</sup> FEBRUARY 2021

## THANK YOU: YOU ARE AWESOME!

As we reach the end of another milestone in our school year we want to thank each and every one of you for your support, patience and understanding through this difficult time and take a moment to think about how far we have all come in such a short space of time.

When I think back to January and all that we have achieved as a school family, I could not be prouder of every single member of our school community the perseverance, growth and compassion shown by everyone has been truly inspiring.

Parents, you have risen to every challenge you have faced, you have achieved so much in terms of home-learning, far more than has ever been asked of you before. You have stepped up and become teachers, counsellors, lunchtime supervisors, play leaders and friends within your own homes; as well as juggling, work commitments, siblings and your own sanity! For this we applaud you and thank you all for being so amazing!

Our wonderful learners, WOW! You simply blow us all away every day! You have learned so much about working online, about being self-motivated, independent and responsible for your own learning and we could not have asked for more from you. We are so proud of you all!

As a school team, the staff have once again, achieved more than we ever dreamed possible for our little village school. They have learned to teach and support children in a completely new and alien way and have done so with an abundance of energy, enthusiasm which is always underpinned by an innate desire to do their best for all of our learners no matter the individual circumstance. Thank you all so much for everything you have given our children, we could not have asked for more.

Whilst again we start a holiday, not quite knowing what the future holds, I am always assured that no matter what gets thrown our way, we will continue to move forward; to improve and to achieve the very best for our children, because as a school family we work together as one.

Thank you all for all that you have done, you should all be incredibly proud of what you have achieved individually and together. Please make time to rest, to love and to laugh over this holiday period, you deserve it!

We look forward to welcoming you all back to school (albeit virtually) on Monday 22<sup>nd</sup> February. Have a wonderful half-term, stay safe and take care,

*Mrs Pilkington*

*Opening doors with learning, faith and care*
