

St. Peter's

CHURCH OF ENGLAND PRIMARY SCHOOL

Opening doors with learning, faith and care

FRIDAY 12TH MARCH 2021

WELCOME BACK!

It has been an incredible week here at St. Peter's. On Monday we welcomed all of our learners back to school and, once again, we have been impressed with their incredible resilience and adaptability. They have all transitioned seamlessly back to the classroom and they continue to amaze us with their perseverance and understanding.

We celebrated being back together again by creating this school family tree in our main reception area. Every child and staff member are now featured as a leaf on our family tree to remind us how we all work together, even when we have to stay apart.

WE ARE 'FEARFULLY AND WONDERFULLY MADE' (Psalm 139:14)

This week our learning across the school focussed on Psalm 139:14 and through this we have celebrated what makes us special and unique as individuals as well as what makes others fearfully and wonderfully made. We have celebrated our differences and took time to experience and appreciate difference beyond our school community through creativity and stories. We look forward to sharing the outcomes of our learning with you very soon.

YEAR 5 BIKEABILITY

After just missing out on their planned Bikeability session in January, our Year 5 learners really impressed the Bikeability team yesterday with their positive attitude and beautiful manners. After an action-packed day, all those who took part completed the course successfully and were awarded their Level 2 Bikeability award. Well Done Year 5!

RAINBOW ROOM

During the partial school closures, we have worked hard to re-purpose an old store room into a fantastic new 'Rainbow Room' for our pupils. Our aptly named Rainbow Room is a safe space for learners to discuss their emotions and worries, equipped with a comfy area for our in-school HOPE counselling sessions, a home-style dining table for lunchtime nurture sessions and a dark tent to provide refuge for learners with additional sensory needs. We can't wait to start using this space and thank learners (and Mrs Salt) in Class TG for their help with the decorations!
