

St. Peter's

CHURCH OF ENGLAND PRIMARY SCHOOL

Opening doors with learning, faith and care

FRIDAY 29TH JANUARY 2021

THIS WEEK'S HIGHLIGHTS

Thank you once again for all of your engagement with home learning this week. Over 2,200 messages have been sent via Class Dojo this week and this goes to show the immense amount of work being completed and uploaded each day.

Class HO have been superheroes this week and their learning culminated in a dress up day on Friday, complete with homemade superhero costumes!

Class LE have enjoyed bringing some games into their live lessons this week, playing charades and Simon says to embed their learning of verbs.

Class SS have really enjoyed finishing their reading of the Ice Palace, and impressed Mr Smallwood with their inference skills. Their under table cave paintings were also a real highlight of the week.

Class OC have really impressed Miss Clifford this week with their kindness being 'guardian angels' for each other and sharing wonderful messages about how special they each are!

Class TG have been working hard to make Mr Gray laugh this week and whilst Class TG's jokes have been brilliant; Mr Gray really needs to step up his game next week (or buy a joke book!)

CHILDREN'S MENTAL HEALTH WEEK

With all our children completing the third national lockdown of their lifetime, I think we would all agree that we have noticed changes in our children's mental health and wellbeing this year. There has never been a more crucial time to raise awareness of this important issue and we are delighted to share that as a school we will be inviting all learners to join in the National Children's Mental Health Week assembly live at 9am on Monday (or via recording if children are completing live lessons at this time). The theme for this year's mental health week is expressing yourself, and throughout the week we will be sharing a range of little activities to our Teams channels to help children to share their feelings, thoughts and ideas through creativity. There is advice for parents and links to activities you can use if your child is feeling anxious or low on our [school website](#) and to conclude our week, we invite all our learners (both in school and at home) to 'Dress to Express' on Friday 5th February 2021. We would like all learners to think about what makes them special and unique and to come to their live lesson/ into school dressed in something which shows the world who they really are!

DATES FOR THE DIARY

** Please see individual letters for more information*

01.02.21	Children's Mental Health Week Begins

22.02.21	Children of critical workers and vulnerable children return to school
26.02.21	Wonderfully Made Day
02.04.21	Easter Holiday Begins

ONE WAY SYSTEM UPDATE:

Our usual one-way system is very wet at the moment, we have reviewed the route and cannot find an alternative route through the school site which is accessible via footpaths from the village, for this reason **we are now asking all parents/carers attending site to wear a face mask/ covering to reduce the spread of Covid 19** if families do need to pass on site. Please note that you are also welcome to leave via the vehicle gate and the KS2 gate to avoid the wet grass but we kindly ask that you do not exit via the main entrance from the staff carpark.
