

St. Peter's

CHURCH OF ENGLAND PRIMARY SCHOOL

Opening doors with learning, faith and care

FRIDAY 2ND JULY 2021

CRAZY COLOUR FUN!

The end of last week saw all our learners from Reception to Year 6 completing a long distance fun run in aid of our school PTFA. Every single person in school completed the course (and more) and had so much fun doing it. We have created a little video montage of the fun, which is available on Class Dojo for you to enjoy.

DATES FOR THE DIARY

** Please see individual letters for more information*

02.07.21	Deadline to return Colour Run Sponsor money
08.07.21	Transition Days (R-Y5)*
09.07.21	
09.07.21	School Reports sent via Dojo

21.07.21	Last day of term
22.07.21	Summer Holiday Begins
02.09.21	Pupils return to school

SUPER ST.PETER'S DAY

On Tuesday, we celebrated the feast day of St. Peter and St. Paul by taking part in reflections, meditations, activities, stories, writing and crafts to learn more about St. Peter and his life. At the end of the day, we joined virtually with the Church to take part in a special St. Peter's day service, led by readers from Class OC and Class TG. To mark the occasion, each of us painted a 'rock' in honour of St. Peter and these will be laid together to form St. Peter's path within our school garden.

TRANSITION DAYS

Following a review of our school Covid-19 risk assessments, we have decided to go ahead with the planned transition days for learners in Reception – Year 5. We understand how important these informal meetings with new class teachers, in new classrooms can be for our learners and the vital role that they play in alleviating any initial worries about moving up!

We have opted for an extended transition this year, with every child spending 2 full days with their new class teacher. During this time, they will get involved with fun and exciting learning adventures which focus on getting to know each other and building positive relationships.

To help us with ensuring that this essential event is conducted in the safest possible way **we kindly ask that all parents/carers complete their weekly lateral flow tests on Wednesday night/ Thursday morning next week** and school staff will be taking lateral flow tests on Wednesday night and Thursday night to help keep us all safe. Our updated Covid risk assessment, which includes measures put in place for this specific event is available on our school website.

Entrance and exit times and procedures will remain as normal for your child's transition visits. Year 6 learners will be in school as normal and will work with Mrs Gould and Mrs Salt on their high school transition activities.

REMINDER:

Please be reminded to maintain social distance and wear face masks on our school site. We are receiving daily reports of local school/bubble closures as a result of upsurge in delta variant and need everyone to do all they can to ensure that we can all safely take part in our end of year events and activities in the coming weeks.

Thank you!
