

St. Peter's

CHURCH OF ENGLAND PRIMARY SCHOOL

Opening doors with learning, faith and care

FRIDAY 9th JULY 2021

ALL CHANGE!

Yesterday was the first of our two transition days with all our learners moving up and getting to know their new teachers for September. Having spoken to the children at the end of the day yesterday, it was clear that they had all had a brilliant day and had really thrown themselves into their new adventures. From getting to know you games, to rainbow fish, totem poles and more, it was clear that everyone was really rising to the challenges set by their new teaching teams. I hope that these visits have helped your child feel more settled about the change in September, but remember if you have any questions or worries at all please do not hesitate to get in touch with us before the summer break.

In other news, you may have noticed lots of painting and decorating going on around school over the past few weeks as we begin preparing our learning spaces for the new school year. We have been busy creating our new Early Years zone, a new larger classroom for Y5/6 and also moving the library to make it more usable for our children and families, during and after school. Watch this space for more updates!

END OF YEAR REPORTS

We are delighted to share with you your child's end of year report. This year we have moved to an even more personalised format and I hope that you enjoy reading them as much as we have enjoyed celebrating your child's successes with them during this really difficult year.

All reports will be sent electronically. Please look out for a Dojo message from Ms Rowe this afternoon and let us know on Monday if you have not yet received it.

END OF TERM COVID PLANS

With the new Covid arrangements planned to come into force on July 19th, just 3 days before the end of the Summer term, we have decided to keep all of our systems and processes in place until we break up on July 21st. I hope that you will understand that changing our plans at this point would require an immense amount of work for a very short space of time, and also potentially increase the risk of bubble closures and self-isolation at the start of the summer holidays, which I am sure we all hope to avoid!

Having said that, the guidance out this week looks promising and I am delighted to see restrictions easing for the new school year so we can start moving forward and getting back to 'normal' very soon. As a team, we will be working on what this means for us over the next week so please watch this space for more information. As always, we thank you for your patience and your understanding in this matter.

DATES FOR THE DIARY

** Please see individual letters for more information*

08.07.21	Transition Days (R-Y5)*
09.07.21	
09.07.21	School Reports sent via Dojo
