

Uniform Information and Stockists

As an Early Education setting, we encourage all learners to attend wearing the Flourish uniform which engenders a sense of belonging and community, promotes equality and is practical and safe across our range of curriculum activities.

Most items are available from local clothing stores and supermarkets, with Flourish specific items available from two local school wear suppliers.

All uniform items should be labelled with your child's name to help us in returning any lost property to you.

Jewellery, Make Up and Nail Polish: The wearing of jewellery, make-up or nail polish is not permitted.

Hairstyles: Long hair should be tied back for nursery each day, this is better for learning and also reduces the risk of headlice. Additionally, please avoid having hair cut excessively short or with fashion tramlines etc.
