Think2 Funded Places

For families in receipt of certain benefits, Think2 funding may be available to provide 15 hours free childcare for your child from the term after they turn 2. You can see if you are eligible and apply for this support through the Staffordshire County Council website: <https://apps2.staffordshire.gov.uk/web/think2/>. If yes, which sessions would you like to use this funding for? <i>We recommend selecting morning sessions or afternoon sessions every day for continuity of your child's education.</i>

Universal and 30 Hours Funded Places

All 3 and 4 year olds are entitled to universal 15 hours funding from the term after their 3rd birthday and there is no need to apply for this.

Some 3 and 4 year olds are eligible to apply for 30 hours free childcare per week (this includes the 15 hours which all children are entitled to). Parents/carers eligible for 30 hours funding codes apply through the Government website: <https://www.gov.uk/apply-30-hours-free-childcare>. Once received it is the parents/carers responsibility to provide the code to the school or you may be liable to pay nursery fees for sessions booked.

As an Early Education provider we expect parents/carers to use their universal 15 hours funding for daily morning or afternoon sessions to ensure consistency of learning experiences in preparation for starting school. 30 Hours funding can be used for any additional sessions within the school day, we regret that this funding cannot be used against extended school hours (OOSC).
