

St. Peter's

CHURCH OF ENGLAND PRIMARY SCHOOL

Opening doors with learning, faith and care

FRIDAY 10TH SEPTEMBER 2021

THE GOLDEN RULE

This week in school we have launched our new behaviour system, which is based around the golden rule:

So in everything, do to others what you would have them do to you (Matthew 7:12).

Our new system provides learners with greater opportunity to be rewarded for displaying our school values and demonstrating positive behaviour for learning in school, by moving up to 'green' or 'gold' each day.

For those children who might need a little reminder about their behaviour at times, the new system also allows for instant feedback and, most importantly, lots of opportunity to reflect on their actions, make a change and start again.

Full details of our school behaviour policy and what this means for your child on a day to day basis is available on our school website [here](#).

UPDATE YOUR PERMISSIONS

It is time again, for all parents/carers to check and update annual consents and medical/dietary information held by school to ensure that we are always complying with your wishes. We kindly ask that you complete an annual consent form for each child you have in school (unless they have started at St. Peter's in September this year) by 24th September 2021.

Thank you so much to all who have taken up opportunities within our extra-curricular activities this half-term. We were blown away with the response, and are delighted to share that over 90 children are now opening doors to new experiences through our enrichment offer! Letters about which activities children have been allocated will be sent via dojo message later today.
