COVID UPDATE

Sadly, Covid appears to be on the rise again within our local area. This week we have had 2 positive cases in school and have been informed of many parents/carers (myself included) also testing positive. With lots of fun festive activities and events planned for the coming weeks, it is time to batten down the hatches once again and do all we can to stop the virus from coming into school.

A huge thank you to all of our parents for working with us and keeping children at home where there is a positive case in the household, we know that this is working and we cannot thank you enough for your support.

Our current procedures for testing and isolation can be viewed at any time on our [school website here](#), and if you are not sure or would like some advice, please do get in touch with us.

PTFA Request: Help our school to win free donations this November by playing @easyfundraising.org.uk's game Spin to Win! Spin the wheel, and we could win anything from 10p - £50 for free. We'd love for you to get involved, head over to the easyfundraising site to play.
