

A Christmas Surprise

With thanks to our wonderful PTFA who are kindly sponsoring Christmas at St. Peter's this year we are delighted to inform you that we have arranged for a Christmas pantomime to be streamed into our Key Stage 2 classes on the afternoon of Thursday 16th December 2021.

Learners across Years 3 - 6 will have the opportunity to shout out 'It's behind you!', laugh out loud and join in with a fun-filled interactive stream of the pantomime Jack and The Beanstalk live from Sherringham Little Theatre.

Whilst we know this is not quite the same as visiting the pantomime and seeing it live, we hope to bring the theatre to school through streaming the pantomime in our class bubbles and serving interval popcorn and ice cream treats.

There is no cost to this experience, thanks to our PTFA who are funding the whole experience, but we kindly ask that you complete the online form identifying if your child would like popcorn or ice-cream for their interval snack in advance so that we can purchase the right quantities.

[Please click here to pre-order your child's interval treat.](#)

We look forward to sharing in their delight and excitement on December 16th and we hope that children will share their enjoyment with you at home too!
