

A Christmas Surprise

We are delighted to inform you that we have arranged for some very special visitors to come into school on Thursday 16th December 2021.

Learners in Flourish, Reception, Year 1 and Year 2 will be treated to a visit from Santa's reindeers on our school playing fields where they will be able to touch, feed and play with the reindeers before posting the letters to Santa that they have been working hard on in school.

If they listen carefully, they might just hear Santa's sleigh bells from our school forest where the big man himself will be waiting to read them a Christmas story whilst they enjoy a glass of chocolate milk and cookies.

We will then return to school to share in our Christmas Dinner (letter to follow), bake with Mrs Claus and enjoy a fantastically festive film.

This day is already Christmas jumper day in school so we would love them to wear their winter warmers, and all will need a warm coat and wellies to take part in all our outdoor activities. A list of baking ingredients and food treats will be shared on Dojo the week before the event, please take time to review this and let us know if there are any allergies we need to be aware of for your child.

Our amazing PTFA are kindly funding all of our visitors into school and we are asking for a contribution of just £1 per child to cover additional resources, this is payable via Parent pay (Christmas Surprise) in the usual way.

We would love to keep this event as a surprise for the children so kindly ask that you keep it to yourself at this time.

We look forward to sharing in their delight and excitement on December 16th and posting lots of photos on Class Dojo so that you can share in our enjoyment too!
