

FILLED WITH LIGHT!

This week we have all experienced some amazing learning adventures linked to our spirituality day around the theme of light. Across the school we took part in a fantastic Bhangra dance workshop with Bhangra Blaze and also listened to inspirational stories about light and kindness with international story teller Peter Chand.

Individually we learned about the importance of light across a range of faiths, cultures and traditions, exploring the Diwali and Holi festivals as well as responding to paintings depicting light from across the ages.

In our worship and meditation sessions we focussed upon finding our own inner light and how we can shine in all we do and support others to shine bright too!

PARENT GOVERNOR ELECTIONS

Thank you so much to all those who stood for our Parent Governor Elections this term. We were blessed to have so many wonderful people willing to give up their time to support our school. The voting has now closed and we are delighted to announce that our 2 new parent representatives of our local academy committee are Mr Michael Whitfield and Mrs Emma Taylor who both bring a wealth of knowledge and experience to our team.

PARKING ON CHURCH LANE

We have had a number of reports of potentially dangerous parking along Church Lane at the start and the end of the school day. We know that parking outside of school is an ongoing issue and urge all families to walk to school if at all possible. If you do need to drive, please use the Church car park or quieter side roads as these provide a much safer route for children than opening doors onto the busy main road. Thank you for your understanding and cooperation.

DATES FOR THE DIARY

** Please see individual letters for more information*
