

COMPASSION AT CHRISTMAS!

This month in our worship we are exploring the value of compassion and thinking about how we can all show a little kindness this Christmastime. Each of our classes have filled their own Advent calendar with random acts of kindness to be completed each day. Calendars were sent home earlier this week and it has been wonderful to see your photographs of kindness acts being completed already. Please send in your photographs via dojo for us to share in our worship over the next two weeks.

ST. PETER'S GIVING TREE

Thank you to everyone who got involved and voted in our giving tree poll this year. In response, we are delighted to be offer a giving tree as an alternative to sending Christmas cards again this year. This way we can still share our Christmas wishes with each other, whilst also supporting a local charity in need. Your chosen charity to support this Christmas is Katharine House Hospice and I know from the many responses we received that this is a cause close to many of our hearts.

Small white card stars came home yesterday ready for you to write your Christmas messages and return to school before the end of term. Families are welcome, if they wish, to make a donation to Katherine House Hospice in lieu of purchasing Christmas cards. All donations, big or small are warmly welcomed and we ask that any donations are returned in a sealed envelope.

TO DO LIST:

As we approach the end of term, there are many special events and activities taking place in school and we wanted to use this space to remind you of any forms/ permissions which need to be completed in the coming week. If you have any questions at all, please do not hesitate to get in touch with Mrs Haenelt in the school office.
