

THAT'S A WRAP!

What a week we have had in Reception and Key Stage 1. It has been a bit of a rollercoaster to get there, but we could not be any more proud of every one of our learners and the amazing courage and perseverance that they have shown during their Christmas production this week. Over 5 performances (each with a slightly different cast and some amazing stand ins!) they have performed to over 200 family and friends. However, none of this would have been possible without our amazing staff team, who have really given it their all this year and their determination to ensure that the show will go on has been an inspiration to us all.

Thank you all for joining us and for supporting us this year, for your kind words which mean so much to us all in school and a HUGE thank you to all our teachers, teaching assistants and volunteers who have stepped in to make this Christmas staple possible.

AMAZING ACTS OF KINDNESS

Thank you to everyone who has shared photographs of the acts of kindness for class advent calendars being completed at home. It has been lovely to see so many of our pupils helping out and taking some of the pressure off Mums and Dads this Christmas. We have seen them feeding pets, washing up and loading dishwashers, making tea and so much more! Please keep the photos coming!

GIVING TREE UPDATE

Thank you to everyone who has already shared their Christmas messages and donated to our school giving tree. Our current total stands at £58. If you would like to get involved please return your message on your star decoration and any donations in a sealed envelope before 17.12.2021. If you need a new star, please ask at the school office.

OOSC BOOKINGS
