

Geography Learning Adventure

The study of geography is about more than just memorizing places on a map. It's about understanding the complexity of our world.' Barack Obama'

Early Years

Year R

Key Stage 1

Year 1

Year 2

Key Stage 2

Year 3

Year 4

Year 5

Year 6

- Through exploration in the Early Years, learners will:**
- Explore the natural world around them, making observations and drawing pictures of animals and plants;
 - Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class;
 - Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.
