

# St. Peter's

## CHURCH OF ENGLAND PRIMARY SCHOOL

*Opening doors with learning, faith and care*

FRIDAY 16<sup>TH</sup> SEPTEMBER 2022

## CONGRATULATIONS SCHOOL COUNCILLORS!

This week we have elected our school councillors for the new school year. Children across all classes from Year 1- Year 6 were invited to present their ideas to the rest of the class and each class took a democratic vote to elect one boy and one girl to represent them. We were absolutely blown away with the number of children who stood for election and with the quality of their speeches. They made it a very difficult choice for their classmates, and I know that their ideas will all be shared at our first school council meeting next week. Thank you to all who had the **courage** to stand and congratulations to all those elected, we are looking forward to working with you to make our school an even better place to be!

## PARKING

As a school we benefit from a great relationship with our neighbours and community, however inconsiderate and dangerous parking can lead to problems for our school. We kindly ask that all our families to walk to school wherever possible and if driving to park responsibly and think of others who need to access pavements and driveways during this busy time. You are encouraged to park on the Church car park and away from the main road whenever possible. If you do notice dangerous parking practices, you are welcome to report these using the QR code on our parking buddies or via the [Staffordshire County Council Website](#). We thank you for your support and consideration in this matter.

## REMINDERS

**Extra-Curricular Activities:** Many thanks to all families who signed children up for our extra-curricular activities this term. We have had applications from over 80 children and it is wonderful to see so many having a go at something new through our extra-curricular offer. Places have now been allocated and letters will be shared via dojo today, so please look out for them in your inbox. There are a few, limited places available in some of the activities so if you were unable to sign up before the deadline, please contact the school office to see what is available.

**Consents and Permissions:** Please be reminded to update your consents and permissions for the new academic year by reading the family information pack available on the [school website here](#) and then using the link to update your permissions: **LINK: [Update your consent](#)**

**Young Voices Choir:** Would your child like to be part of the world's largest school-choir? If so check out the information on Class Dojo for details about how they can join our Young Voices concert this year.

**Uniform Bank:** We are overwhelmed by your kind donations to our uniform bank and now have stocks of school and nursery uniform available for re-distribution to families in need. If you would like to request any items, you can do this discretely using our [online form](#).
