CHURCH OF ENGLAND PRIMARY SCHOOL

Opening doors with learning, faith and care

FRIDAY 4TH NOVEMBER 2022

OFF TO A FLYING START!

We have had a wonderful start to the new half-term in school this week! Tuesday began with our first Spirituality Day of the school year where we were explored together the fantastic book 'Under the Same Sky'. This year we were excited to mix-up our learners and give them time to work together and foster new friendships with children from other year groups, something we have missed over the past few years. The children all went on a journey throughout the day exploring big questions like 'How do we all live together?' And had a brilliant day filled with deep thinking, art, singing and games.

On Wednesday, we welcomed a county cricket coach to school to work with our learners in Year 1 and Year 2 for their PE unit this half-term and Mrs Alexander began working with the school's worship team to paint a wonderful new mural which the children have designed to illustrate our school values. We look forward to sharing the progress of this project with you via dojo over the coming weeks as more children get involved.

Today we look forward to welcoming our parents/carers into school from 3pm for our first open door Friday of the school year. Our open door events are designed to give parents/carers the chance to come into school regularly to see and talk with the children about what they have been learning and how they are getting on. Please be reminded that the usual playground gates will not open this afternoon and all children are to be collected from their classrooms.

PARENTS EVENING - THANK YOU!

A HUGE thank you to all of our parents/carers who have joined us for parent's evening meetings over the past week. We know that these can be tricky to fit into busy schedules, but we are delighted to share that 98% of parents across the school were able to join us for our parent's evenings this half-term via teams, phone call or in person.
