

IT'S BEGINNING TO LOOK A LOT LIKE CHRISTMAS AT ST. PETER'S!

Christmas has well and truly arrived at St. Peter's this week with tree decorating, Santa visits and rehearsals for the Nativity; Christmas cheer is in the air!

To mark the start of the Advent season, all of our learners have made a Christmas decoration to hand on our school Christmas tree. As a family, yesterday we visited the tree, hung our decorations, sang some carols and said a prayer and I am sure that you will all agree that the trees in school are looking spectacular this year!

On Wednesday, Reception, Year 1 and Year 2 pupils visited Amerton farm as part of their Christmas celebrations. During the day they visited Santa in his winter wonderland, experienced a train and a tractor ride, met Santa's reindeers and all of the animals on the farm too. We have a wonderful (and very tiring) day! A big thank you must go to the staff team for organising, our staff and volunteers for supporting us on the day and also to the PTFA who kindly paid for the coach for this

visit to help us keep costs down at this expensive time of year.

Finally, today our wonderful learners in year 4 have taken the time to remind us that Christmas is not such a joyful occasion for some children around the world who do not have the essentials they need for every day life. Through their Kindness Kit project which they presented to the school today, they have shown that a little kindness goes a very long way and we were blown away with the donations they have received to support them in their challenge. Thank you to all who donated and to Year 4 and Mr Smallwood who have really risen to their social action challenge this year!
