

St. Peter's

CHURCH OF ENGLAND PRIMARY SCHOOL

Opening doors with learning, faith and care

FRIDAY 16TH DECEMBER 2022

MERRY CHRISTMAS EVERYONE!

Today, as we reach the end of another milestone in our school year, I wanted to take a moment to reflect and take stock of all the things we have achieved as a school family this term and throughout 2022.

This has been the first term since I arrived at St. Peter's where I felt that things were truly back to normal. It has been wonderful to welcome all our families and friends into school (and Church) for nativity plays, carol concerts, assemblies and PTFA events; and this year we were also able to get out of school and recommence school trips to see Santa and attend the Theatre together, which for many of our children (and staff!) was a wonderful first experience!

In the classroom this year, our learners have continued to flourish. Blowing us away, each and every day with their commitment to their learning and their desire to improve and succeed. They really are a credit to you all and I know I speak for the whole-staff team, when I say they are a pleasure to work with and bring such joy to our days in school.

Beyond the classroom, what can I say! Their kindness and compassion shines through at every point. They come into school every morning with a smile and a brilliant attitude, they rise to every challenge which is set for them. They are an inspiration to us all and I am so very proud of each and every one of them.

Of course, the amazing progress made by our learners in school this term is not achieved without the support of our whole-school family. So may I first take this opportunity to thank all of our parents/carers for their dedication and support to the school this year, we hope that you have enjoyed joining us in school as much as we have enjoyed having you, and we look forward to lots more events and activities in the months to come.

Once again, I am in awe of the staff team at St. Peter's who work so hard to achieve more than we dreamed possible for our learners every day. Throughout every challenge that we face as a school, the staff team always pull together to ensure the very best learning experiences for our children and I cannot thank them enough for the kindness, love and support they give every day.

St. Peter's is an amazing school, and one I am incredibly proud to be a part of. Thank you to everyone who has been part of our adventures in 2022, to our pupils, parents, staff, PTFA, Governors and volunteers; your support and kind words are always appreciated and we really couldn't have done it without you! I wish you all a very Merry Christmas and a wonderful winter break and I cannot wait to see where our adventures lead us in 2022!

Mrs Pilkington
