FRIDAY 20TH JANUARY 2023

BIKEABILITY STARS!

This week a HUGE congratulations must go to the learners in Year 4 and Year 5 who took part in Level 1 and Level 2 Bikeability courses this week. Whilst the weather looks glorious in this photo, it was unbelievably cold, but despite this every learner gave it their very best, showing perseverance and courage in trying new things and learning new skills.

The Bikeability instructors made a point of popping in to see me after the visit to say that they love coming to St. Peter's

because the children are amazing! Well Done to all who took part – you were all super stars!

SNOW

Another thank you must go to Mr Booth, our site supervisor, this week for ensuring everyone had a safe route into school, clearing the snow and gritting pathways in the early hours. With the cold weather continuing we will update you on any changes to arrangements for school via dojo so please do check to see if any messages have been uploaded before travelling in.

UPCOMING STRIKE DAYS

You will be aware from the news this week that the NEU, England's largest teaching union, has called for a series of teacher strikes throughout February and March. There will likely be some disruption to education at St. Peter's on these days and as a school, we are working hard to plan for this in ways which minimise the impact on our pupils whilst balancing the safety of learners with reduced staffing. We will update you to share our MAT contingency plans ASAP to support you in making alternative arrangements if necessary. For information at this stage, the dates for industrial action in our area are: **1st February and the 1st, 15th and 16th March.**
