

OUTDOOR ADVENTURES

This week in school, our amazing Year 6 learners have been demonstrating their **courage** and **perseverance** in overcoming some immense challenges whilst taking part in their residential visit to Stanley Head. Be it climbing, canoeing, caving or weaseling they have been absolutely incredible: supporting and encouraging each other and really giving every challenge their absolute best. Mr Gray and the team of staff who have supported learners whilst away from school have been so impressed with the whole group and parents/carers should be immensely proud of all that they have achieved this week! **Well Done Year 6!**
